Please register your new spa within 7 days of delivery. You can register your spa at <http://www.D1.com>. Hot tub must be registered before any authorized service work can be performed. Where required by law, such remaining warranty period shall be extended by a period of time equal to the time during which Dimension One Spas has had in its possession the hot tub or component for the performance of this warranty. Hot tub surface/shell repairs will be made to function satisfactorily. Dimension One Spas must pre-authorize repairs and/or the return of all defective spas and parts. Pre-authorization is required for all in-field service where there is no Authorized Dimension One Spas dealer. 13. Use of sanitizers such as Tri-chlor (tablets or sticks), calcium hypochlorite, sodium hypochlorite, and any chemical that may dissolve or remain undissolved on the hot tub shell or cabinet surface. Damage caused by failure to follow procedures defined in the owner's manual/guides.
